

The Galaxy Hotel started its operations in 2011. It is a facility that offers a range of other services in addition to accommodation. Conference space organized on two levels, allows you to prepare a conference, banquet or other event for up to 800 people, Andromeda Alfa restaurant, where Polish and European cuisine is served, is appreciated by food critics and occupies a high place in culinary competitions. The hotel also has a SPA&Wellness zone, with an indoor swimming pool, saunas, jacuzzi and a diverse range of cosmetic treatments and massages.

205 rooms are available in three categories: standard, business and suite. The hotel has numerous facilities and attractions for children, and for several years has maintained the status of a Family Friendly Hotel.

The Galaxy Hotel hosted numerous conferences, congresses and banquets for Polish and foreign companies. There are also regular painting and photographic exhibitions of talented artists. The hotel also had the opportunity to organize celebrations and meetings for famous personalities such as Lech Wałęsa, Franciszek Pieczka and Krzysztof Zanussi.
